

The Democrats' Truly Evil Political Strategy

Finally, I want to say something about **Assassination Culture**. On July 13, 2024, a shooter came within a whisker of successfully assassinating Donald J. Trump in Butler, Pennsylvania. A Trump supporter named **Corey Comperatore** was murdered that day. This was followed up by another attempt on Trump two months later on a golf course in South Florida. Finally, arguably

Donald Trump's most important political ally, **Charlie Kirk**, was assassinated on September 10, 2025, on the campus of Utah Valley University in Orem, Utah. Mr. Kirk was the leader of **Turning Point USA** and achieved unprecedented success in expanding the Conservative/ MAGA Movement among our nation's young folks. Charlie was (and is) bigger than life.

Going back to Donald Trump's first term in office, prominent Democrat leaders from Joe Biden, Kamala Harris, Nancy Pelosi, and Chuck Schumer on down have increasingly taken to calling both Donald Trump **AND DONALD TRUMP'S SUPPORTERS** terms such as **Hitler** and **Nazis**. For his part, Trump likes to call his prominent Democrat opponents **Low IQ Individuals, Sleepy, Dopey**, and in some cases **Fat Slobs**. So, what's the difference? You don't shoot low IQ individuals or fat slobs. On the other hand, millions of red-blooded

Americans (including myself) would have jumped at the very hypothetical opportunity to snuff out Adolf Hitler in 1942. The other difference? Trump limits his insults to **INDIVIDUAL** Democrats/ Leftists. I have yet to hear the man direct his insults at Democrats as a whole. On the other hand, the Democrats use the Nazi and Hitler brushes to paint **TENS OF MILLIONS** of Americans who just happen to support Donald Trump (e.g., Charlie Kirk).

There is one other factor you need to consider. It takes a certain type of individual to be an assassin. Happy, successful people do not go into the assassination business. Assassins tend to be extremely depressed and unbalanced individuals who blame everyone but themselves for their own misfortunes. The Republican/ Conservative movement is centered around the concept of **PERSONAL RESPONSIBILITY**. If you are dissatisfied with where you are with your career or with your life in general? It's up to **YOU** to make it better. Government just needs to stay out of your way. On the other hand, the Democrats/ Left movement is centered around **VICTIMHOOD** and **GRIEVANCE**. You just committed armed robbery or murder? It's not your fault. It's society's fault.

As such, the Democrats have a virtual monopoly on the assassin/ aspiring assassin constituency. Although I believe most Democrat leaders (e.g., Jasmine Crockett, J.B. Pritzker, Tim Walz, Joe Biden) are too stupid to understand exactly what they have set into motion, I believe there are a few (e.g., Chuck Schumer, Chris Murphy) who understand **EXACTLY** what they are doing. These Democrats have

decided to use the assassination of their political opponents as a **POLITICAL STRATEGY**. If that is not evil, then I don't know what is.

*P.S. By throwing around the "Hitler" and "Nazi" labels so haphazardly, Democrats are also dishonoring the six million Jews (and millions of others) **MURDERED** by Hitler and his goons in the Holocaust. If you are an Anti Semite you won't care about this. If, instead, you are a decent human being? **YOU WILL!** Enough said!*
